

Hi Friends & Prospective Students ...

It was gratifying to see so many enthusiastic visitors at "Hidden in the Hills" at our "Coyote Crossing Studio." Attendance was way up from last year. Dick figured we had 1200-1400 visitors come to the studio, and on the first Saturday of the six-day show we had 250 people walk through! It was great to see most peoples' faces since most have had Covid vaccines.

Sales were high for all of the artists. Justine sold "Sunset Meditation" to a couple from Scottsdale who live at the Boulders. It's nice to know Justine's beloved "baby" went to a good home.
