6th Annual Artist Studio Tour and Sale

11 Studios & Galleries & 40 Artists to View

March 3, 4, 5 • Friday • Saturday • Sunday

10 am to 4 pm — free admission

Justine is preparing for the 6th Annual Tour d' Artistes. Justine was one of the founding members and has continued with the "Tour" ever since its inception. This year's "Tour" will be in memory of founder Michelle Williams.

- See Justine at her Studio #5 "Desert Textures" 12419 North Fountain Hills Boulevard
- Guest Artist Mary Lou Mulloy is returning with her gourd art & fused glass works

Justine plans to have some smaller works including 6 x 6" paintings on canvas. The paintings were new experiments working on little canvases; painting them black, putting pearlescent inks down, then painting a color on top and dropping alcohol on the painting bringing the pearlescents forward. Then, layering the painting on top with the inks to create the landscapes. — At the show look for her collages with handmade paper and her current work and prints.

This is a unique experience to enjoy!

The artists open their private studios and homes and invite you to be part of the arts. Be sure to talk to the artists and ask questions about their tools and creative processes. This Tour is a great opportunity to show your support and to purchase fine art directly from the artists.
