

Arizona Fine Art EXPO

Winter is upon us and Art Expo 2016 is just around the corner. Justine will be participating for the second year; more information later in this letter ...

Autumn Reflections

November was a busy month. Justine was invited to demonstrate her artwork techniques at the Sun City West Art League. She worked on her vertical painting *Autumn Reflections* and talked with an enthusiastic group of over 80 members.

Autumn's Reflections has since been finished by Justine. This time the wavy reflections are a rhythmic counterpart with a background of fall trees and falling leaves.

Autumn Reflections

ARTIST of the Month

Also in November Justine was voted "Artist of the Month" for her painting *Sunset Silhouettes* during the Fountain Hills Art League meeting.

Sunset Silhouettes

Hidden In The Hills 2015

During the last two weekends in November, Justine, and Karen Friend, along with Alan and Penny Lowy showed their art work at Dick Mueller's "Coyote Crossing" studio at the 19th Annual Hidden In The Hills Artist Studio Tour and Sale. It was Justine's 11th year exhibiting at this event and her 4th year at Dick's studio.

It was a special year with many old friends surprising Justine with a visit to the studio. Justine sold a number of paintings including *Desert Delight*, *Night Blooming Cereus* and *Fuchsia Hedgehog Blooms* which were purchased as a group by a wonderful couple from Alberta, Canada. Art lovers also bought several prints and two of Justine's unique miniature floral and landscape paintings.

Arizona Fine Art Expo

Opening January 22, 2016

Justine to exhibit at premier Arizona art destination

See Justine at the Arizona Fine Art EXPO. The Expo gives art patrons the unique opportunity of the one-on-one art experience. Each artist participating in the Expo exhibits in a working art studio environment, providing the atmosphere for a direct connection with the artist's creative process.

Join Justine and the many other artists in the airy, light-filled white tents housing the artists' studios. She will be creating paintings using her unique techniques and materials. Justine is looking forward to meeting art-lovers during this event.

See Justine at Studio 11 in the east wing of the EXPO
