Bill & Justine held a much-needed garage sale

and ... were swamped with visitors! A couple from Appleton, Wisconsin, Kris and Joe Troy had just moved to Fountain Hills and were looking for art for their home. Justine took them on an art tour in the house and they were blown away by her paintings. They wanted a large piece so Bill fished out "Clouds Over the Superstitions" from the garage art rack. The painting measures 40 x 60" and was an acrylic painting created on handmade black paper. The painting was older, when Justine was first experimenting with acrylics on paper.

They loved the painting, bought it at our garage sale and were last seen carrying it to their car, to be lovingly placed in their new home.

Clouds Over The Superstitions

The New Year 2023 is already looking to be a whirlwind year ...

Justine entered the January Fountain Hills "Juried Competition". Her entry, "Monsoon Sunset" won "Best of Show"!

The painting features lots of fan brush work to emphasize the dramatic monsoon showers. The bottom of the painting has been totally recreated to fulfill Justine's true vision of this magnificent Sunset.
